

23<sup>rd</sup> September 2022

Dear Parents and Carers,

What a super start to Nursery! - We're all so impressed with how the children have been coming in so confidently and with a smile each afternoon. They will each be bringing home a small pot of bubbles as a reward. I can't believe the downpour we had yesterday just as the children were coming in! They are already picking up the routines of hanging their coats on their pegs and putting their snacks on the trolley.

We've had a busy week exploring and playing in the different areas both indoors and outdoors and other activities have included snack time, singing and listening to stories at home time. The children have been making new friends both in Nursery and with the older Reception children as well as getting to know the adults in the room.

Thank you for your patience at the end of the day when seeing the children out - this will become quicker as we get to know you. Please can you inform us if someone different will be picking your child up - either by letting us know at drop off or via an email or phone call to the school. We do not need to know each time if this is a regular occurrence.

We have taken photos of the children on their first days in Nursery which we are eager to share with you. However, our school website is in the process of 'rolling over' and archiving the previous year's class pages. As soon as the new page is available, I will upload photos from our first week and let you know how to find them.

Just a few small points, if you haven't done this already, please can all cardigans, jumpers and coats as well as snacks, drinks bottles and lunch bags please be labelled with your child's name. The children do not need anything else at this point in the term and I will be in touch at a later date about Forest School.

Thank you for your support this week and we look forward to working with you all this year.

Kind Regards,

Mrs Griffith and the Early Years Team
